ORGANIZATION

On behalf of the Milwaukee Habitat for Humanity we are recruiting the Director for the overall operations of the 3 ReStore locations in Milwaukee County. The MHFH's ReStores are home improvement retail outlets where new and donated building materials and home goods are sold to the public to raise money for affordable housing in the city of Milwaukee.

Habitat ReStores are nonprofit home improvement stores and donation centers whose proceeds are used to build homes, communities and hope locally and around the world, helping to create a world where everyone has a decent place to live. ReStore donations benefit Milwaukee Habitat for Humanity's mission of building simple, decent and affordable homes in partnership with families in need.

The ReStore is stocked exclusively with donated items such as new and used furniture, appliances, kitchen cabinets, building materials and other home goods. Find one-of-a-kind home furnishings, vintage décor and antiques at a fraction of the original cost. ReStore employees, donors and shoppers can feel proud knowing they're helping to strengthen the community.

LOCATION

Milwaukee is 90 minutes north of Chicago, yet in recent years, it's evolved into a hip sister, infusing art, nature, mixology, craft beers, and farm-to-table foods into its landscape. Neighborhoods—like the [Historic Third Ward](#), with warehouses converted to condo lofts and cutting-edge restaurants and boutiques; and Brady Street, with Italian-immigrant roots still cropping up in bakeries, restaurants, and markets—are vibrant and welcoming. [Milwaukee's](#) first-ring suburbs—places like Shorewood and Wauwatosa—boast adorable bungalows and pedestrian-friendly "main streets" with Indie-boutique shopping, coffee shops, ethnic dining, and art galleries.
