

Welcome Home Gift Basket!

When the Habitat homeowner closes on their home we celebrate this moment at with a brief dedication service. On this exciting day, you and/or your organization can provide a welcome home gift basket! We encourage you to attend the dedication and present the basket in person. These are often held on Thursdays during the day.

Please contact Beth Van Gorp at bvangorp@milwaukeehabitat.org if you are interested.

This list is simply meant to provide you with some ideas of items commonly included.
