

Habitat's resale stores and donation centers

Habitat ReStores are nonprofit home improvement stores and donation centers whose proceeds are used to build safe, affordable homes in our community. We sell new and gently used furniture, building materials, appliances, and home accessories to the public at 50%-75% below retail. Through the sale of these items, we raise hundreds of thousands of dollars each year to build safe, affordable homes in our community. We are **open to the public** so come visit us for great deals on quality new and used items!

DONATE TO RESTORE

Donate your gently used furniture, appliances, cabinets and home goods to ReStore. Free pickup service is available for large donations.

VOLUNTEER

Volunteer in our stores and donation centers assisting in cashiering, decorating and more! Availability at all three Milwaukee county locations!

DECONSTRUCTION

We salvage reusable items, like kitchen cabinets, from residential and commercial buildings, saving you time and money while preventing waste.
