

An Equal Employment Opportunity Employer

Truck Driver / Mover

(Tuesday – Saturday)

Wauwatosa, Wisconsin

Milwaukee Habitat for Humanity is a non-profit organization working to break down the barriers to safe, affordable homeownership for local families in need. ReStore is Habitat's resale store/donation center - reselling donated furniture, appliances, and home goods to fund our mission.

Habitat ReStore is searching for a truck driver/mover who is enthusiastic, hardworking, has an excellent work ethic, a great attitude and a smile. Serving the needs of our donors and customers is our top priority. The truck driver/mover will work directly with our donors at their homes/businesses. The successful candidate will be a diplomatic, courteous problem solver whose objective is to make the ReStore donor experience a positive one. The responsibilities will include: safely driving throughout the city, loading and unloading donated goods, and safely transporting them to be sold at our ReStore locations.

This is what it takes to be a Habitat ReStore Truck Driver/Mover:

- Valid driver's license with a good driving record
- Experience driving a 26 foot box truck
- Able to regularly move, load and unload furniture, large appliances, building supplies, and more
- Great attitude, self-motivated, reliable, helpful
- Strong interpersonal communication skills, a team player, able to effectively handle customer questions and complaints
- Good attendance & punctuality
- Able to pass drug screening, driver record and criminal background checks
- Volunteer experience preferred

Benefits include:

- \$19/hr
- 10 paid time off days annually + 10 paid holidays
- Health, Vision and Dental Insurance
- 401k + \$1000 annual employer contribution
- Life Insurance
