

Women Helping Women Rise Strong!

By supporting Milwaukee Habitat's Women Build, you empower women to invest in the stability and equity of homeownership. Alongside more than one hundred women from our community, you will work with construction professionals to build a brand new, affordable home for a future first-time homeowner. Women Build offers a unique opportunity for women to learn new skills, build confidence, and help one another rise strong!

How it Works

- Form a team with friends or colleagues.
- Secure a corporate sponsorship below or friend-raise your donation through a secure giving site provided by Milwaukee Habitat.
- If applicable, volunteer on the build site. No construction experience necessary!
- Connect with fellow Women Build volunteers, our amazing construction staff, and future Habitat homeowners while making a lasting impact.

Timeline

April 4, 2025: Corporate sponsorship deadline for inclusion in promotional materials

Friends & Family Sponsor	\$1,500	1	-	Name	Yes	No	No
Home Dedication Sponsor	\$500	0	-	Name	Yes	NA	Yes
Power Lunch Sponsor	\$5,000	0	Logo	Logo	Yes	NA	Yes

Meet Women Build Homeowner, Jessica!

“I’ve been wanting to be a homeowner for a while,” Jessica said. “With Habitat for Humanity, I’ll get that opportunity...When I’m renting I’m just paying somebody else’s mortgage. I would never have it for myself, so now I can build some equity. I can hopefully have a home I can retire in. I don’t have to worry about the extra cost of living and I can have financial freedom.”
