sponsorship opportunities

why partner with Habitat

Team Building

Habitat for Humanity offers the ultimate team building experience. From working alongside one another to raise the walls of a home to painting a child's future bedroom, your team outing will create lasting results. Sponsors at \$25,000 and above receive exclusive rights to a Habitat home including priority scheduling, branding at the build site, and recognition at a home dedication with the family.

Change Lives

What separates Habitat from other sponsorship and volunteer activities? **The families.** Your support will break down the barriers to homeownership for local families struggling with unsafe, unaffordable, and overcrowded housing.

Local Impact With A Global Presence

Habitat for Humanity is known throughout the world for building homes, communities, and hope. Forbes ranks Habitat seventh in its list of **America's Top Charities of 2025**. Leverage our trusted and recognizable brand with employees, clients, and customers.

Construction Volunteer Tasks

Our experienced house leaders instill confidence and safety in volunteers of all skill levels. Your team will help us complete the following tasks throughout the build season.*

- **Wall panelizing:** build sections of wood framed exterior and interior walls at our woodshop
- **Framing:** build and raise interior and exterior walls
- **Siding:** install vinyl siding on the exterior of a home
- **Drywall:** install drywall on walls and ceilings
- **Interior painting**
- **Flooring:** install vinyl plank flooring
- **Finishing tasks:** installing bath and door hardware, caulking trim, touch-up painting, installing window blinds, cleaning the home, and more

** Not every task is available on every home.*
