

Women Helping Women - Give to Gain!

By participating in Milwaukee Habitat's Women Build, you empower women to invest in the stability and equity of homeownership. You will work alongside more than one hundred women from our community to build a brand new, affordable home for a future first-time homeowner.

Give to Gain celebrates the power of generosity and collaboration.

It's about creating opportunities for women to thrive – whether as volunteers, donors, homebuyers, or community members – by fostering a mindset that when we give, we all gain.

How it Works

- Form a team with friends or colleagues.
- Secure a corporate sponsorship below or friend-raise your donation through a secure giving site provided by Milwaukee Habitat.
- If applicable, volunteer on the build site. No construction experience necessary!
- Connect with fellow Women Build volunteers, our amazing construction staff, and future Habitat homeowners while making a lasting impact.

Timeline

April 24, 2026: Corporate sponsorship deadline for inclusion in promotional materials

May 19, 2026: Women Build Power Lunch

Meet Women Build Homeowners, Lah Ku Htoo and Say Klo Wah!

After eight years of renting an aging home that currently does not have reliable heat, Lah Ku Htoo and Say Klo Wah are building a safe, warm home where their five children can grow up with space and stability. Through Milwaukee Habitat for Humanity, they are becoming first-time homebuyers. Their new home will include a yard where their children can safely play, marking a hopeful new chapter for their family.
